Mr. Sam Kim
Executive Director
Korean Church Coalition for North Korean Freedom
5661 Beach Boulevard, #200
Buena Park, California 90621

Dear Mr. Kim:

I commend the prophetic work of the Korean Church Coalition in speaking out for courageous believers in North Korea and China. Our brothers and sisters in the faith in North Korea should be able to exercise the same God-given rights to worship, speak, and assemble freely that all of us do.

Your advocacy work hosting vigils and conferences in solidarity with those suffering in North Korea and China is vitally important. We all need to keep our brothers and sisters there in our prayers, and their plight needs to be at the forefront of U.S. policy to bring freedom to the entire Korean peninsula. I stand with you in that hope and that goal.

Please pass on to the pastors, members, and churches of the Korean Church Coalition my deep appreciation for your important and faithful citizen activism to press for freedom for all North Koreans to worship without repression. May God bless you in your prophetic work.

Sincerely,

James P. Moran
Member of Congress
