Sam Kim, Executive Director
Korean Church Coalition for North Korea Freedom
5661 Beach Blvd., #200
Buena Park, CA 90621

Dear Mr. Kim:

I would like to wholeheartedly commend your efforts through the Korean Church Coalition in speaking and mobilizing against the deplorable treatment of North Korean refugees within China as well as against those North Koreans who have escaped the despotic regime in place in North Korea.

In embracing non-partisan and non-denominational ideals your coalition is able to reach across lines that too often divide; ultimately increasing the number of individuals you are able to successfully aid. The "Let My People Go" Campaign has already begun to augment the world's awareness of the sufferings of North Koreans due to negligence of human rights. Your voice in this struggle is truly a beacon of reason and leadership for others.

I am sorry I could not join you but trust that your Vigil today will be another step towards the final success of our mission to safely bring home all North Koreans being persecuted. As you continue forward, keep in mind the millions that follow you as well as the millions you strive to save.

Sincerely,

Herb Kohl
United States Senator
